## Professional Summary

Final-year B.Tech CSE (Data Science) student with hands-on experience building responsive web applications using Next.js, React.js, and Tailwind CSS. Skilled in front-end development, UI/UX design, and REST API integration. Eager to contribute to innovative projects and deliver high-quality, user-friendly solutions in an entry-level Front-End Developer role.

## Technical Skills and Tools

**Programming Languages:** TypeScript, JavaScript(ES6+), HTML5, CSS3
**Frameworks/Libraries:** Next.js, React.js, Tailwind CSS, Bootstrap
**Databases**: Firebase, MongoDB
**Tools:** Git, GitHub, VS Code, Vercel
**Others:** Figma, Postman, React Hooks, React Router, Responsive Design

## Projects

**Product Store** — Designed and developed two integrated web applications: a clean, minimal user-facing product showcase and a secure admin product management system restricted to authorized users. Built with a focus on usability, security, and efficient product handling.
**Source Code:** [GitHub – User] | [GitHub – Admin] | [Live]

**Furniro Furniture Store** — Designed and developed a responsive furniture shop web application with a modern, clean interface using React and Tailwind CSS. Implemented backend functionality with Node.js to support basic server-side logic and a scalable e-commerce structure. [GitHub] | [Live]

**Bazar** — Designed a book-selling web application featuring secure user authentication using React.js and Firebase. [GitHub] | [Live]

**Monito Pet Store** — Developed a dynamic single-page platform for pet products with an adaptive layout implemented using React.js and Tailwind CSS. [GitHub] | [Live]

## Experience

**ApexPlanet Software Pvt. Ltd.** – Frontend Developer Intern | May 2025 – July 2025 | Remote
• Developed and maintained responsive web pages using HTML5, CSS3, and JavaScript.
• Collaborated with senior developers to enhance UI/UX and optimize performance.
• Implemented version control using Git and GitHub for efficient project tracking.
• Assisted in debugging, testing, and deploying Front-end modules to production.

## Education

Geethanjali Institute of Science and Technology, Nellore – B.Tech in Computer Science and Engineering (Data Science) | 2022 – Present | CGPA: 7.77

Sri Chaitanya Junior College, Nellore – Intermediate | 2020 – 2022 | Percentage: 68%

## Certifications/Training

• **Front-End Development** – ExcelR (June to August, 3 Months)
